"Working to assist individuals in transforming their lives to reach their full potential"

January, 2010

:

**Has your business become stagnant?
Are you looking to develop ways to increase your professional network?**

Stop! Look no further. . .

The Psychological Group of Washington (PGW) has created a new concept called Speed Therapy™ to help professionals – like yourself – learn valuable new approaches to treatment **AND** grow your client base.

Dr. Maia Coleman King and Dr. Katherine Marshall created Speed Therapy™ to assist therapists in reaching out to other professionals. In addition, Speed Therapy™ will allow you to introduce your services to prospective clients.

Speed Therapy™ is an innovative, unique and cost-effective way to build business while networking with colleagues in a safe and pleasant environment. Join us on **February 8, at Clyde's of Gallery Place, 707 7th Street NW, Washington, DC 20001** for a reception and other valuable benefits including:

- 90-day listing on PGW's online Speed Therapy™ Directory;
- Promotional opportunities with local media outlets;
- Introduction to 12 new prospective patients; and
- An opportunity to explore alternative clinical practices with our first featured guest: **Relationship Expert, Audrey Chapman!**
